ABOUT ME	I'm a passionate and problem-solving-driven Software Developer who thrives on creating impactful solutions. Technology excites me, and I take pride in writing clean, efficient code, whether I'm working on the frontend or backend. I find great satisfaction in collaborating with others and believe that teamwork is key to developing innovative products that not only meet user needs but also drive business success. Every project is an opportunity for me to learn, grow, and contribute meaningfully.
EXPERIENCE	
2022 — 2023	<div>Home AssistancePålsboda</div> <div>Care Assistant</div>
Jun 2023 — Aug 2023	<div>Restaurant (Kroken Sallad och Fisk)Öland</div> <div>Chef</div>
Jun 2024 — Aug 2024	<div>Restaurant (trandbadens- Restaurang och Bar)Öland</div> <div>Chef</div>
2019 — 2021	<div>CoffeByxellkrok</div> <div>Chef</div> <div>• Öland, Summer Seasons 2019-2021</div>
